Paper Gingerbread House to Color, Cut and Fold

Color first. Cut on solid lines, fold on dashed lines, glue the tabs marked glue.

ROOF (fold in half on the dashed line)

1. Color the walls and roof.
2. Cut around the solid outline and the roof.
3. Fold every dashed line, then glue the side tab inside the front wall.
4. Fold the roof in half and glue it onto the two roof tabs.
